More about the Magical Pain Extractor.

This salve is doing wonders, and one half of the ares and benefits that come caily to our notice carnot be published. But we think that what already has been given here to the New York public, should impress upon every family the actual necessity of always keeping this salve in the house, as a little girl's (159) Washington-street) life was saved on the 3d of this month by this salv, from a dreadful scald, and we ask all who do not fully believe it, to go there, and see the what you must believe. A nouther will tell you what you must believe. Also in Newsra was a child's life, in case of burn, saved by it last week.

* * Mr. John Lyons, carman, who rides for Wm. McCormick, Esq., suction and commission merchant, No. 18 Courtland-screet, had

as thumb bully bitten by his horse, so that the nail and the ball of his thumb was split open The pain from it was dreadful, extending through the whole system; and he thought he should have to give up work, when he went into Messrs Comstock of Co.'s, 21 Courtland-street, and had applied their Magnat Pain Extracton, and in there minutes the pain entirely coased, the inflammation all was alloyed, and no inconvenience was felt at all from it, when at the time he first put Econville, December 7th, 1844. t on, the flesh began to grow black, and the first oint very sore and stiff, so that he could not bear to bend or teach it. I think this salve saved me ne week's work, or at least nothing could have relieved so instantaneously. He invites all who are any way skeptical to call on him at 18 Courtland-street, as he will be pleased to show them his thumb, and tell them personally of its magic
